Bringing our community together with music

2010 - 2011 Season Advertising

As we look forward to our 33rd season, the Fort Worth Civic Orchestra is pleased to offer area businesses and individuals the opportunity to advertise in our concert programs. Our concerts—a minimum of four to be held in October, December, March and May—draw large crowds as we perform at our new venue, Truett Auditorium at the Southwest Baptist Seminary, as well as other locations throughout the North Central Texas area. Approximately 1,500 programs are distributed annually at concerts and to businesses and foundations during Corporate Sponsor presentations.
